

Have you ever thought about how the **Anita Purves Nature Center** maintains such safe and fun facilities for your kids?

Or how the **Phillips Recreation Center** has really awesome instructors for their classes?

Or how peaceful you feel when you're at **Meadowbrook Park**, surrounded by tall grass, butterflies, and beautiful sculptures?

That's all Urbana Parks.

Consider choosing us to be a recipient of your workplace giving through United Way.

Supporting the Urbana Parks Foundation directly shapes the future of Urbana's parks.
